

Clouds, Rain, Sunshine, Wind, Snow, Ice, Fog, Mist, Rainbows

Seven Areas of Learning

Comm & Language	Physical Development	PSED	Literacy	Mathmatics	Understanding World	Arts and Design
New Language	Themed Playdough	Talk about different types of weather	Library visit for new topic books	Rainbow colour match game	Set up a role play area	Fancy dress
Sound out new words and clap the syllables	Rainy day puddle hunt	Discuss appropriate clothes for different types of weather	Read books and poems	Cloud pompom sorting game	Small world set ups with open ended resources to explore	Music - Make a thunder sound instrument with cardboard
Create a display board and discuss its contents	Kite flying in the wind	How do we keep safe in different types of weather	Sing songs	Visit/make a sun dial	Experiment - cloud in a jar	Crafts - Puffy paint clouds
Rhyme Time Bag	Nature walk to look at clouds	What can we do to keep safe in slippery conditions	Mark making colouring sheets	Matching and Pairing weather clothing, gloves, wellies, hats, etc	Ice tuff tray	Weather collages
Create rhyming words for people who help us	Spin round like a tornado - weather dance	What causes mist? Why does Weymouth get sea mists?	Snow mark making in a icing sugar tray	Size sequencing snowflake game	You Tube clips of storms	Make your own rainbow painting
Talk about our favorite weather	Hula hoop puddle jump game	Mindfulness session to rain sounds	Keep a weather diary	Water play - pour, scoop measure	Sensory Play - Make snow and ice sensory bottles	Loose part weather tuff tray
Read and write weather poetry	Practice putting on own weather gear - wellies, coats, hats	Talk about how we measure temperatures	Scavenger hunt with clipboard in garden	Number hunt in the garden	Google people who live in very hot/cold countries	Crafts - Make a junk model wind turbine
