

The Seasons

Spring, Summer, Autumn, Winter, Outdoor Learning, Shadows

Seven Areas of Learning

Comm & Language	Physical Development	PSED	Literacy	Mathmatics	Understanding World	Arts and Design
New Language	Themed Playdough hedgehogs	Talk about seasons and why they change	Library visit for new topic books	Seasons snap game	Set up a role play area	Fancy dress - leaf crowns
Sound out new words and clap the syllables	Nature walk	Talk about hibernation and migration	Read books and poems	Autumn acorn counting game	Small world set ups with open ended resources to explore	Leaf paintings
Create a display board and discuss its contents	Conker hunt	Talk about sun safety	Sing songs	Sort and group nature walk items	You Tube - Spring bulbs, autumn leaves	Leaf/flower rubbings
Rhyme Time Bag	Puddle hunt	Talk about daylight savings and changes to the clocks	Mark making colouring sheets	Count and sort spring items - sheep, flowers, bunnies	Make sensory bottles	Autumn leaf hedgehogs
Create rhyming words for people who help us	Chase your shadow game	How can we help animals affected by seasonal changes	Mark making in a mud tray	Compare sizes of plants and animals	Draw around the shadows of different objects	Autumn/Spring colour paintings
Talk about our favorite summer holidays	Go on a rainbow hunt. Draw rainbow, place matching items on it	Talk about our feelings as the temperature gets colder/hotter	Read some gardening magazines	Weigh different amount of conkers	Visit a garden centre to learn how things grow	Gather leaves, petals, grass and use glue to make a picture
Share our experiences of the changing seasons	Have a leaf fight with friends	Talk about special seasonal events, christmas, lambing	Make your name using leaves and sticks	Matching and pairing winter clothing items	Make bird feeders	Decorate pine cones
