My Teddö Play Card Jigsaw

Steps:

1. Print this page out on a thick paper stock
2. Carefully cut along the edges of the puzzle pieces (highlighted in white)
3. Paste the individual pieces on to any cardboard in your home
4. Cut along the edges to get 4 nice thick board puzzle pieces
5. Feel free to laminate if you have a laminator at home
6. Let kids enjoy putting the puzzle pieces together to reveal the beautiful animals, birds and insects from our learning sets 😊
